

**WCHST 2026 | WORKSHOP SCHEDULE**

# Fundamentals and Applications of Widefield, Fluorescence and Confocal Microscopy

5 – 6 October 2026 (Monday – Tuesday) • Day 1: 9:30 AM – 6:15 PM | Day 2: 10:30 AM – 6:15 PM

**Venue:** 11th Block, 3rd Floor, Bajaj Center, UPES Dehradun

World Congress on Health Sciences and Technology • 7 – 9 October 2026

## MINUTE-TO-MINUTE SCHEDULE

| TIME                                                        | SESSION & DETAILS                                                                             | RESOURCE PERSON       |
|-------------------------------------------------------------|-----------------------------------------------------------------------------------------------|-----------------------|
| <b>DAY 1 • Monday, 5 October 2026 • 9:30 AM – 6:15 PM</b>   |                                                                                               |                       |
| 9:30 – 10:00 AM                                             | <b>REGISTRATION</b><br>Registration of participants and workshop kit / attendance formalities | —                     |
| 10:00 – 10:30 AM                                            | <b>INTRODUCTION &amp; WELCOME</b><br>Introduction to the Imaging Workshop                     | From organizer's side |
| 10:30 – 11:30 AM                                            | <b>TECHNICAL TALK</b><br>Fundamentals and application of widefield microscopy                 | Dr. Sneha Paul        |
| 11:30 AM – 12:00 PM                                         | <b>Refreshment Break • Tea/refreshments and networking</b>                                    |                       |
| 12:00 – 1:00 PM                                             | <b>TECHNICAL TALK</b><br>Fundamentals and application of confocal microscopy                  | Dr. Anirban Bose      |
| 1:00 – 2:00 PM                                              | <b>Lunch Break • Lunch and networking</b>                                                     |                       |
| 2:00 – 4:00 PM                                              | <b>HANDS-ON SESSION</b><br>Product demonstration in batches                                   | Students & Experts    |
| 4:00 – 4:15 PM                                              | <b>Tea Break • Tea/refreshments and networking</b>                                            |                       |
| 4:15 – 6:15 PM                                              | <b>HANDS-ON SESSION</b><br>Product demonstration in batches                                   | Students & Experts    |
| <b>DAY 2 • Tuesday, 6 October 2026 • 10:30 AM – 6:15 PM</b> |                                                                                               |                       |
| 10:30 – 11:30 AM                                            | <b>TECHNICAL TALK</b><br>Introduction – Evident (Olympus) Benchtop Microscope APX100          | Dr. Sneha Paul        |
| 11:30 AM – 12:00 PM                                         | <b>Refreshment Break • Tea/refreshments and networking</b>                                    |                       |
| 12:00 – 1:00 PM                                             | <b>TECHNICAL TALK</b><br>Introduction – Evident (Olympus) Confocal Microscope FV5000          | Dr. Anirban Bose      |
| 1:00 – 2:00 PM                                              | <b>Lunch Break • Lunch and networking</b>                                                     |                       |
| 2:00 – 4:00 PM                                              | <b>HANDS-ON SESSION</b><br>Product demonstration in batches                                   | Students & Experts    |
| 4:00 – 4:15 PM                                              | <b>Tea Break • Tea/refreshments and networking</b>                                            |                       |
| 4:15 – 6:15 PM                                              | <b>HANDS-ON SESSION</b><br>Product demonstration in batches                                   | Students & Experts    |

**Note:** The schedule may be adjusted slightly depending on speaker availability and workshop requirements.
